The genius of British design, the precision of German engineeering. What a partnership! What a lathe!

VB36+ Master Bowlturner lathe from £5690

It takes a lot to make lathes that the Teutons call "Professional"

Steinert lathes from £2250
Model shown from £5540

Look at these prices- then take off 10% and that's all you'll pay if you order before 31st Jan 2016

The ToolPost
Where the best things,
like the best lathes,
come from

Oneway lathes from £2105
2436, below, from £4920

Bears more than a passing resemblance to a lumberjack - but in a good way!

WivaMac lathes from £2090
DB6000, below, from £4010

As satisfying as Belgian beer and chocolates - but even better to own
