ROBUST

American Beauty

Made by American craftsmen earning a living wage, Robust products are constructed of the finest materials and made to the highest standards. All lathes have a seven year "head to tail" warranty. The warranty includes every nut, bolt, switch and bearing as well as the premium industrial grade motor and inverter. Toolrests are warranted for life. You may buy direct or through our network of fine woodturning professionals. Please see our website for details.

Robust. Because the making matters.
