New woodturning symposium organised by three regular YouTube woodturners

Mike Waldt, Martin Saban-Smith and Steve Twydell are putting on 'the greatest woodturning weekend the UK has ever seen' on 18-19 June, 2016 at the Hilton Hotel in Coventry. With what could most likely be the biggest collection of turning suppliers and traders the UK has ever seen in one place, the UK and Ireland Woodturning Symposium is aiming to bring together turners from across the UK, Ireland and further afield, arriving in Coventry in June for an exciting and informative weekend of woodturning-oriented demonstrations and trade stands.

When: 18–19 June, 2016
Where: Hilton Hotel, Coventry

The Midlands Woodworking and Power Tool Show

This year's Midlands Woodworking and Power Tool show takes place at the Newark Showground, Nottingham on 18-19 March, 2016. Now in its third year, this is one of the most popular events on the Woodworking calendar, with something for everyone. Turners include Andrew Hall, Mick Hanbury, Jennie Starbuck, Tony Wilson and Simon Hope. Michael Painter and Emma ('Tiny Turner') will demonstrate carving; Peter Sefton and Peter Tree will show furniture making. Demonstrations will be given by Nic Westermann on sharpening, Colin Hickman on stick making and Wayne Mack on scrollsawing.

A visit to the 'Midlands Woodworking and Power Tool' show is probably one of the best days out you could have this year.

When: 18–19 March, 2016
Where: Newark Showground, Nottingham

Yandles Woodworking Show

Always a highlight on the woodworking events calendar, this is now one of Britain's longest-running woodworking shows. Thousands of visitors come from all over the UK and Europe to enjoy the friendly atmosphere created within the surroundings of this historic sawmill, founded over 150 years ago.

The show will feature masterclasses with some of their big manufacturers such as Record Power and Robert Sorby. Nick Agar, Dave Appleby, Gianni Deidda, Paul Hannaby and Bryan Milham along with Les Thorne and Mark Sanger will be amongst the woodturning demonstrators. There will also be demonstrations in carving, chain saw carving, willow making and blacksmithing/knifemaking to name a few. With free entry and parking, it's a show not to be missed.

When: 8–9 April, 2016
Where: Hurst Works, Martock, Somerset, UK
