TURN TO AAW...

For woodturning information, resources, education, inspiration, and community.

- **LEARN TO TURN...**
  Become an AAW member and you'll get six issues of *American Woodturner* journal each year, plus digital educational publications like *Woodturning FUNdamentals* and *Safety for Woodturners*. You'll get tips, projects, videos, and access to our huge library of woodturning content online.

- **CONNECT WITH US...**
  And you'll be connected with a community of 15,000+ enthusiasts globally who share your passion for woodturning. Plus, you'll be able to search the globe for woodturning symposia, demonstrations, exhibitions, events, organizations, schools, and more.

Get these resources FREE with membership!

- **STAY SHARP!**
  Become an AAW member and you'll get *Sharpening Woodturning Tools*, a 72-page digital book; *Fundamentals of Sharpening*, a 90-minute online video; and *Ten Principles of Clean Cutting: A Woodturner's Checklist*, a six-page reference from the *American Woodturner* journal. These resources are now available to members online at http://tiny.cc/AAWSharpening.
