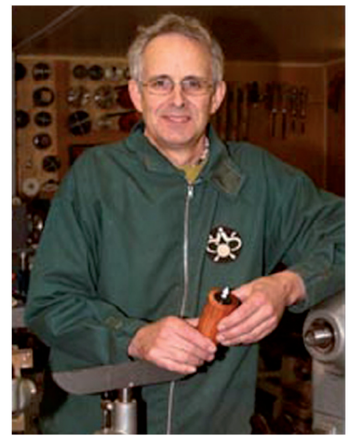
Turners Retreat

The north's premier woodworking store stages its Spring Open Event Saturday April 23rd 9.00am to 7.00pm



This year we have changed things around a little, with a one day show. There will be plenty of entertainment throughout the event. We have two key woodturners - Jan Hovens from Holland and Sam Abernethy from Northern Ireland, they will be performing two masterclasses each.

As always, there will be many demonstrations throughout the show covering many aspects of woodturning, woodcarving and woodworking. There is also an array of trade stands and discounts throughout the store upto 75% off!

Free entry to the show, free parking and plenty of refreshments throughtout the day.
